On March 26, 2012, A Collin County Sheriff Deputy and U.S. Marshal's, kicked in the front door to 11511 Ferguson Rd., 16421 Dallas, TX, 75228, without knocking or announcing their presence before breaking down the door with no signed search warrant from any Court; only an Arrest warrant. They illegally searched and took away, impounded vehicle without a search warrant and being told no to a search of any kind. They walked away, leaving business unsecured, like it was some drug house and everything of value was stolen and they gave away my truck to someone 3-29-12, to someone I don't know because I have no family or friends in the state of Texas who could of gotten my truck. only my soon to be ex-wife, Tiffany Johnson and she did not get the vehicle because U.S. Marshal's told her the vehicle was being held for evidence.

IV: Statement of Claim:

U.S. Marshal's Asked me last they search a locked, parked vehicle on private property? I told them no, of a search of any kind. They kicked me off the tail. My keys were still in the front lock, dead bolt lock, from the inside; my truck was still parked on private property when I was taken away into custody.

They went into my truck without me giving anyone consent to do so, without a warrant signed by any court. My truck was mixed with and towed after I was taken away.

Collin County Sheriff's Department or U.S. Marshal's had no, no knock warrant to kick down front door or to search apartment and vehicle without a signed warrant by the court or signed consent been be me on record. They violated my Constitutional Right by not having a warrant on record.

Auto impound gave my car away 03-29-12, to someone I did not give written consent to do so, no one knows who has my truck after it was illegally searched and towed off private property. I was inside home when arrested.
